17th August 2009

Dear Mr Berg

I acknowledge your letter to me, of the 10th August 2009, along with a copy of your book: "The Six Ways of Atheism".

I often wish that people like yourself who indulge in a great deal of thinking would also indulge in some time at least each day in prayer – simply opening your minds to the great and good God who does exist and who communicates with his creatures so very regularly.

With my kindest regards, good wishes and my own prayers for you.

Yours sincerely in Christ
